

Summary

Lesson Summary

Once you have successfully completed all of the learning objectives, you will be able to utilize strategies to prepare for and challenge competency based multiple choice questions in preparation for writing the CBRC National examination. When you register to write the CBRC examination, a prep guide will be made available which includes common nomenclature used for the exam. Use the study skills that you have learned to prepare for the practice exam and then challenge the examination.

Good luck with writing the CBRC examination!!
